ELEPHANTS ON TOUR.

Ever wonder what a family of Elephants does for their vacation? Find the answer in the *Elephants Tour England*, the newest title from New Mexico children's author Beverly Eschberger to be published in April, 2009.

An English adventure is in store! The Elephant Family is taking a short family holiday touring southern England. It starts off as a quiet bus tour. The family visits the city of Bath and Stonehenge. Then Harold and Penelope get on the wrong bus. Will Harold and Penelope find their way back to their parents? Will Harold be forced to learn French? And can Mr. and Mrs. Elephant find a convertible to rent?

The book is wonderfully illustrated by Jim Gower. Together, the story and images bring the wonderful English culture, geography, and the adventure the Elephant family has to life.

Children love the fun adventure that Harold and Penelope have in the story. Parents love the *Elephants Tour England* because it is family friendly and teaches children about places and cultures they may not be familiar with. Ms. Eschberger makes learning about culture and geography a fun adventure for the entire family.

About the Author: Beverly Eschberger enjoys writing books she would have liked to read as a child. She first met the Elephant family on her second trip to England at a pub in Bath and has made a lasting friendship with the entire Elephant family. She enjoys sharing sweets with Harold and Penelope, admiring art with Mrs. Elephant, and talking politics with Mr. Elephant. Her first Elephant Family Adventure book – *The Elephants Visit London* was a 2008 New Mexico Book Awards finalist for juvenile fiction and was a Mom's Choice Awards Silver Award winner. Ms. Eschberger lives in New Mexico, with her husband and son.
